French colonial expansion was not limited to the New World.In Senegal in West Africa, the French began to establish trading posts along the coast in 1624. In 1664, the French East India Company was established to compete for trade in the east. With the decay of the Ottoman Empire, in 1830 the French seized Algiers, thus beginning the colonization of French North Africa.

Fusion power is a theoretical form of power generation in which energy will be generated by using nuclear fusion reactions to produce heat for electricity generation. In a fusion process, two lighter atomic nuclei combine to form a heavier nucleus, and at the same time, they release energy. This is the same process that powers stars like our Sun.Devices designed to harness this energy are ...
