A generation gap or generational gap, is a difference of opinions between one generation and another regarding beliefs, politics, or values. In today's usage, "generation gap" often refers to a perceived gap between younger people and their parents or grandparents.

Generation gap - Wikipedia

Definitions and usage. The term digital divide describes a gap in terms of access to and usage of information and communication technology. It was traditionally considered to be a question of having or not having access, but with a global mobile phone penetration of over 95%, it is becoming a relative inequality between those who have more and less bandwidth and more or fewer skills.

Digital divide - Wikipedia
