We all know the importance of volunteers. But can we put a number on the value of a volunteer? The answer is yes—and that number is a big one. According to nonprofit leadership network Independent Sector, the estimated value of an hour of volunteer work rose to \$24.69 per hour in 2017 — an increase of over 2% from the previous year.

Scientific management evolved in an era when mechanization and automation were still in their infancy. The ideas and methods of scientific management extended the American system of manufacturing in the transformation from craft work (with humans as the only possible agents) to mechanization and automation, although proponents of scientific management did not predict the extensive removal of ...
