Hancor Sanitite Sewer Pipe Specification. Scope. This specification describes 24" - 60" (600 - 1500mm) Hancor Sanitite Pipe for use in gravity flow applications, such as industrial wastewater and municipal sanitary sewers.

Sanitary Sewer Pipe - Hancor

A combined sewer is a sewage collection system of pipes and tunnels designed to also collect surface runoff. This type of gravity sewer design is no longer used in building new communities (because current design separates sanitary sewers from runoff), but many older cities continue to operate combined sewers.. Combined sewers can cause serious water pollution problems during combined sewer ...
