Law reports or reporters are series of books that contain judicial opinions from a selection of case law decided by courts. When a particular judicial opinion is referenced, the law report series in which the opinion is printed will determine the case citation format.. The term reporter was originally used to refer to the individual persons who actually compile, edit, and publish such opinions.

Law report - Wikipedia

The Unified Patent Court (UPC) is a proposed common patent court open for participation of all member states of the European Union. It will hear cases regarding infringement and revocation proceedings of European patents (including unitary patents) that are valid in the territories of the participating states, with a single court ruling being directly applicable throughout those territories.
