Engels wrote *The Origin of the Family, Private Property and the State* in just two months – beginning toward the end of March 1884 and completing it by the end of May. It focuses on early human history, following the disintegration of the primitive community and the emergence of a

### **Origin of the Family, Private Property and the State**

This clearly written and engrossing book presents a global narrative of the origins of the modern world from 1400 to the present. Unlike most studies, which assume that the "rise of the West" is the story of the coming of the modern world, this hi...
