The Phaedrus (/ ˈ f iː d r ɛ s /; Ancient Greek: Φαῖδρος, lit. 'Phaidros'), written by Plato, is a dialogue between Plato's protagonist, Socrates, and Phaedrus, an interlocutor in several dialogues. The Phaedrus was presumably composed around 370 BC, about the same time as Plato's Republic and Symposium. Although ostensibly about the topic of love, the discussion in the dialogue ...

The truth about the tobacco industry in its own words Tobacco Explained was originally developed and written by Clive Bates and Andy Rowell for the London-based Action on Smoking and health (ASH).

The truth about the tobacco industry in its own words

The infinite monkey theorem states that a monkey hitting keys at random on a typewriter keyboard for an infinite amount of time will almost surely type a given text, such as the complete works of William Shakespeare. In fact, the monkey would almost surely type every possible finite text an infinite number of times. However, the probability that monkeys filling the observable universe would ...

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.

SuperMemo: Incremental learning - Super Memory: Forget

John Stuart Mill (1806–1873) was the most famous and influential British philosopher of the nineteenth century. He was one of the last systematic philosophers, making significant contributions in logic, metaphysics, epistemology, ethics, political philosophy, and social theory.

Consequentialism, as its name suggests, is the view that normative properties depend only on consequences. This general approach can be applied at different levels to different normative properties of different kinds of things, but the most prominent example is consequentialism about the moral rightness of acts, which holds that whether an act is morally right depends only on the consequences ...

Gotquestions.org Related to Retirement and Saving for the Future: What does the Bible say about saving for retirement? Excerpt - The Bible does not specifically mention saving for retirement, per se, and it doesn't mention 401(k) plans, IRAs, or the like. However, the Bible does speak of saving money, and it gives us clear principles to guide us in whether Christians should save for retirement.
