Politics (from Greek:  $\text{πολιτική}$ , translit.  $\text{Politikḗ}$ , meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. The academic study focusing on just politics, which is therefore more targeted than all Political science ...

Politics of Sweden takes place in a framework of a parliamentary representative democratic constitutional monarchy. Executive power is exercised by the government, led by the Prime Minister of Sweden. Legislative power is vested in both the government and parliament, elected within a multi-party system. The Judiciary is independent, appointed by the government and employed until retirement.
