Psychology Today: Health, Help, Happiness + Find a Therapist

How Relationship Therapy Can Help. There are many different types of therapy that can be applied in the context of relationships, but they all have the same goal: to improve or enhance the relationship.. Generally, the term "relationship therapy (or counseling)" refers to therapy with adults in romantic relationships, although there are certainly other relationships that therapy can ...

Romantic Relationships: Enhancing - Positive psychology

Positive psychology is "the scientific study of what makes life most worth living", or "the scientific study of positive human functioning and flourishing on multiple levels that include the biological, personal, relational, institutional, cultural, and global dimensions of life". Positive psychology is concerned with eudaimonia, "the good life", reflection about what holds the greatest value ...
