The Southern United States, also known as the American South, Dixie, Dixieland, or simply the South, is a region of the United States of America. It is located between the Atlantic Ocean and the Western United States, with the Midwestern United States and Northeastern United States to its north and the Gulf of Mexico and Mexico to its south.. The South does not fully match the geographic south ...

Case citation is a system used by legal professionals to identify past court case decisions, either in series of books called reporters or law reports, or in a neutral style that identifies a decision regardless of where it is reported. Case citations are formatted differently in different jurisdictions, but generally contain the same key information.. A legal citation is a "reference to a ...
