Silent Spring is an environmental science book by Rachel Carson. The book was published on 27 September 1962 and it documented the adverse effects on the environment of the indiscriminate use of pesticides. Carson accused the chemical industry of spreading disinformation and public officials of accepting the industry's marketing claims unquestioningly.. In the late 1950s, Carson turned her ...

Narcissists will invoke the silent treatment for days, weeks, and longer with no explanation as a way to control and demoralize their partners. Narcissists are fond of using the Silent Treatment as a cruel (but not unusual) punishment for you doing nothing wrong at all and, from experience, I can tell you that the affect of this method of passive-aggressive control is sheer torture.

By default, the image format is determined by its magic number, i.e., the first few bytes of the file. To specify a particular image format, precede the filename with an image format name and a colon (i.e.ps:image) or specify the image type as the filename suffix (i.e.image.ps).The magic number takes precedence over the filename suffix and the prefix takes precedence over the magic number and ...
