For coherence theories in general, truth requires a proper fit of elements within a whole system. Very often, though, coherence is taken to imply something more than simple logical consistency; often there is a demand that the propositions in a coherent system lend mutual inferential support to each other.

A couple of weeks ago, I put a question out there asking, What are the top 10 biblical priorities for every pastor and asked for your suggestions and input. Now that the Call Conference has come and gone (which went very well), it is time to reveal my top 10. Keep in mind these are the priorities of every pastor that focus on the care for souls in our charge in our local church.
