

The Other Guernica Poems Inspired By Spanish Art

picasso - rochester city school district - in 1937, picasso painted guernica, one of his most famous cubist paintings. it shows his view of the death and destruction caused when spanish civilians were bombed during the spanish civil war. the painting is now considered to be a masterpiece. picasso worked on many other new types of paintings, but he was also a sculptor and a designer. **remembering the future: writing guernica in p.k.**
